SUBJECT.

Age limit for ~~the~~ intending
candidates for depressed classes
for the various Probationers Department

Serial
No.

From Mr R. Gopalaswamy Iyer dates 4th March 1937
stating the age limit may be extended to 28 years
for intending candidates for the various probationers posts.

Submitted

The maximum age fixed at 28 years in the case of
Candidates of Backward Communities in G.O. No. 6-10.
CRB 1-34-1 dated 3rd July 1934, is with reference to
recruitment governing subordinate services.

In the notifications calling for applications
to the posts of Probationers, it is stated that
"No applications from candidates who are over
25 years of age will ordinarily be entertained.
There do not seem to be any hard and fast rules
in this behalf. The age limit may be relaxed
in special cases
~~in committee appointed to select probationers~~

Mr Gopalaswamy Iyer wants the age limit
to be raised to 28 years in the case of candidates
belonging to Backward classes.

Dear Sir,

We have the honour to submit the following representation for your kind and sympathetic consideration.

As Government have announced their intention to select Probationers to the Revenue, Accounts and Co-operative Departments, we request you to kindly select some deserving Adikarnataka graduates for the same. Government have been kind to educate the young men of the community and encourage them to join Public service in the State. There are a number of Adikarnataka graduates who though they have passed their B.A., and B.Sc. examinations five years ago are yet serving on low salary and one of them is still not employed.

We therefore request you to kindly select some of these graduates for the Probationers' post and thus enable the educated members of ~~the~~ their community
